ISSUE JANUARY 2015

## MESSAGE FROM GRAND MASTER

I am completing the Treaty between the Indigenous of Western Canada area with New Earth Nation, Peru, Bali and Indonesia, New Zealand and shall begin trade treaties with China, Russia, Mongolia, Korea, Southeast Asia and Central American Countries.

I am pursuing 'Diplomatic Status' for all active Knights.

Recently accepted a non-paid status post as a member of the Faculty of the Law and Governance Facility of Sacha Stone's New Earth Nation Project.

Am preparing to assist the Indigenous of NW America in establishment of 3D Printing as well as an orderly transition from British Domination to a Free and Sovereign people run nation, having plans to do the same with the Romani Sovereigns of Europe and Eastern Europe.

That I require is little, but donations as little as 20 whether silver, dollars, Euros, pounds, or other trade goods to survive to complete the mission until man no longer needs currency. Since I am always on the move, please remit any donations via PayPal to Lady Helen Menyes, [hmenyes@yahoo.ca](mailto:hmenyes@yahoo.ca) and she will see that it is used for my keep and travel. There are a few other Knights that need similar donations to continue their work where they are at. Anything of at least 29 currency units or silver could be beneficial to allowing them to travel to where they are needed, or to continue their work where they are at so that charging a fee does not present itself. Knights are NOT in the COMMERCE game, and should not be.

Lastly, some of the Knights are undergoing major changes in their life, they are growing spiritually and understanding whom they really are and their mission. Do assist them if you know who they are.

## UQD Foundation News

University of Quantum Dynamics (UQD) is always looking to stay on the cutting edge. As such, we are trying to establish a 3D Printing School at [sqilxw tamxwulaxws](http://sqilxw.tamxwulaxws) (People's Land), the place formerly known as British Columbia. [www.uqd-edu.eu/newnation.html](http://www.uqd-edu.eu/newnation.html).

This 3D school will provide hands on training for those wishing create plastic or even metal objects. We are asking anyone who might have connections in the 3D printing industry to please contact Grand Master Stephen Palmer at [prof.s.palmer@uqd-edu.eu](mailto:prof.s.palmer@uqd-edu.eu).

In keeping with the White Knights philosophy of Sharing without asking anything in return, ideally we will be allowed us use some 3D Printers and Engineering Software, such as AutoCad or SolidWorks. This would be a great way to start co-creating our World (EA Source Wheel).

## Knights in Action

In each issue, this section will showcase all the Great Work that our White Knights are doing worldwide in their own communities.

This issue we wish to highlight the good work of Rosario De Medici (USA).

Here is some information on his wonderful project. Ninurta Enterprises Incorporated (NEI) is a socially conscious and spiritually responsible sustainable engineering consulting firm that provides scientifically engineered solutions addressing the subjects of food, water, energy, housing, clothing, and waste recycling. We are capable of designing multi-tiered, scalable, and cross-platform systems with special focus on self-sustainable indoor vertical farming. Self-sustainable indoor vertical farms will serve to provide 'beyond organic' food to the local and regional markets of metropolitan and rural communities, as a modus operandi of self-sustainable community development. This is being done in answer to the demand for high quality and affordable food. The overall mission and plan are in alignment with the environmental efforts of local municipalities and the United Nations Millennium Development Goals Initiative in an effort ameliorate poverty and unsustainable patterns of consumption and production throughout local and regional communities.

Overture of a White Knight

*Written By Lady Suzanne Edwards & Sir Rosario De Medici*

A White Knight is far more than just valiant and chivalrous

She or he is marked by humility, and compassion

Ennobled by a mind and heart that's conscious

As well as ready and set to take action

Serving the helpless and relieving human suffering

Through direct and spiritually indirect means

Making selfless service the sacrifice of offering

With no exceptions to any beings

A White Knight keeps his or her word to all

In all situations, even under the hottest sun

Holding fast to integrity and never afraid to fall

Keeping their tenants, when all is said and done

To the service and for the highest and greatest good

Transparency and open to all inspection

Which are the hallmarks of true knighthood

All the while, never forgetting humility and their interconnection

"I AM ALL AND I CREATE ALL", says the Knight

Knowing full well that the true jewel is within

Making such a knight a beacon of light

Free from wrongdoing, free from sin

Not just anyone can be a White Knight

Though one can come from all walks of life

Sticking to the 5 tenants can be quite a plight

As one works without contention, without strife

Understanding that polarity do exist in all

Being centered while avoiding the vacillating swings of opposites

Never lording over others, always answering their call

Knowing that life is one with all of their composites.
