Those Not from Here and Not in Agreement are being asked to Leave.

All who Leave will receive the option to Return, for we are Humane.

Fear do Not, we LOVE you All.

Founding Creators:

Those who want to be, are.

Those who say they are still nourish on EGO.

Having said all this, we as initial Earth Council, are aware it can not be as such at once.
All are asked to Act as Needed, just Follow Your Heart.

With gratitude we remember those who shared their Fashioning Essences with us in the past, giving us abilities even beyond our current imagination.

Please enter such info into our registers Honestly, even when past Experiments failed.

We also thank Yin and Yang, Right and Left Side of Brain, Good and Bad, EN.KI and EN.LIL, God and Devil, Allah and Shaitan, for playing their Role of Duality in teaching us the lessons of life.
We have learned enough to stay on our own legs, time to Fly Away has arrived.

We start from Anarchy, by Rebooting Ourselves from our Pure Micro Kernel, Freeing Blocked Memory, Clearing False Implanted Memory, to keep All Options Open, Reprogramming Ourselves, trusting to reach the Golden Mean by having Fate in others, using Words of Wisdom to navigate, cleansing the Universal Base of Knowledge, saving only Truth and Reality.

Be creative, because it is what you are, Creators, no longer Primitive Workers.

Cluster in local or global Groups of Interest, Sharing Options to evaluate, adjust and, when agreement reached, Realize.

Try to keep things simple, non artificial, close to nature, feet on the ground, earthed.

Share your knowledge like others share with you, to add to the One Knowledge with Many Minds.

Be Open, because, in the end, it will be Our Salvation, the Key to open all Doors Locked.

Polish your Soul, feed it with all things Good, its our Individual Protection from becoming Controlled.

Your Actions will cause Reactions in the Universe, so please, create with LOVE and Care.

Our Human Heart will be the Liberator of the Universe, simply by sharing what it means to be

Human, our Devine Fashioning Essences, the ability to have Feelings of Compassion.

Having said all this, stay Humble, in the knowledge of being part of *All There Is*.

May Mother Earth be given the strength to stay with us as we know her.

May *All There Is* Bless Us even more, Nourishing our Souls, giving us Unlimited Possibilities, enabling us to Share even more ways to LOVE the Universe.

LOVE enables to LIVE, HATE feeds EVIL.

LIVE or EVIL, we choose to LIVE!

We have a Dream, please Share it with us.

May Your Light Shine Brightly!
